

Secretaries Report 2025

I would like to take this opportunity to thank the current committee Katrina Gosney, Cherie Jackson, Zoe Charles, Kara Waters, Rayanna Jackson, Melissa Whyte and Ellie Hill for all their hard work over the past year as it does take a lot of time and commitment to keep the Society running smoothly and without them there would not be a Society.

The North Island and South Island Pinto shows were both successfully run again this season, thank you to all those who contributed to the smooth running of both shows, behind the scenes and on the day. The North Island ran its first standalone show in a few years, and it was very successful. We hope to build on its success for the next one.

Many A&P shows throughout the country continued to run Pinto sections or included a Best Registered class. I cannot stress enough how important it is to support these shows as we will lose them if we do not enter the classes.

If you have any feedback on any improvements or suggestions, please let me or one of the committee members know. As we are only good as our members.

Regards

Julie Pascoe
